

# LL PIEMONTE

Industrial Automation

# Our services

Design and integration of industrial automation systems

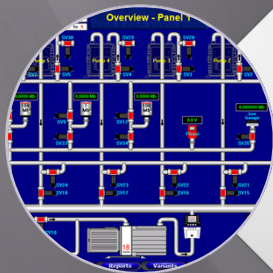

Software development and start-up PLC - Siemens, Allen Bradley, Telemecanique

Production assistance  
Technical assistance  
Training course

Software development, start-up, technical assistance robot- Comau, ABB, Kuka, Motoman

Software development HMI and SCADA

# Experiences

- ✓ Station Testing and certification welding gun
- ✓ Sharpening station and control blades with certification
- ✓ Wash station for engine block Ferrari
- ✓ Welding line Front-end 420, Fiat Tychy
- ✓ Interpress robotics line 844 Cassino
- ✓ Welding line vehicle's dashboard nuova punto Melfi
- ✓ Interpress robotics line, Fiat Melfi
- ✓ Interpress robotics line, Fiat Tychy
- ✓ Welding line engine hood mod.500 Fiat Tychy
- ✓ Welding line rear door mod.500 Fiat Tychy
- ✓ Welding line strut mod.500 Fiat Tychy
- ✓ Welding line chassis Fiat Brasile world car
- ✓ Welding line chassis Fiat Argentina world car
- ✓ Slubbing line bumper Melfi
- ✓ Wash line for engine block Renault, Spagna
- ✓ Wash line for engine block Renault Cleon
- ✓ Welding line doors B420, Fiat Tychy
- ✓ Welding line engine hood B420, Fiat Tychy
- ✓ Welding line engine fender B420, Fiat Tychy
- ✓ Welding line side member Renault master
- ✓ Welding line side chassis Renault master
- ✓ Welding stations EMARC Ducato 250
